

\$250 Power Saving Bonus: how to apply

Victorian households deserve the best energy offers.

That's why we're offering to help with a \$250 Power Saving Bonus, just for visiting our website.

There are better energy deals out there for Victorian families and Victorian Energy Compare – the Victorian government's free, independent and easy to use energy comparison website – is here to help people find them.

You don't need to switch to a new energy offer to apply for your \$250, you just need to visit the Victorian Energy Compare website to compare your current energy plan against the best offers in the market.

Victorians can always check that they're on the best available energy offer on the Victorian Energy Compare website compare.energy.vic.gov.au.

The \$250 Power Saving Bonus

The \$250 Power Saving Bonus is a payment to help eligible households to ease cost-of-living pressures and encourage Victorians to compare their household energy prices and save money.

All Victorian households can visit compare.energy.vic.gov.au from 24 March 2023 to apply for their \$250 Power Saving Bonus. For help with your application call 1800 000 832.

Households who received payments under previous rounds of the Power Saving Bonus Program are eligible to apply for the new round.

Eligibility Requirements

To be eligible to claim the \$250 Power Saving Bonus, you must meet the following criteria.

- You must be a Victorian residential energy consumer (i.e. have a residential electricity account)
- You must be the account holder
- Only one payment is available per household per round

What Victorian Energy Compare can do for you:

-  It compares available offers with your current plan so you can see if they are higher or lower.
-  It searches every offer on the market from every Victorian energy retailer.
-  It shows you green energy offers and solar feed-in tariffs.
-  It uses data specific to your household or business to provide the best information.

Step 01

Find your latest electricity bill.

Step 02

Visit compare.energy.vic.gov.au

Step 03

Enter your information and find the best offers.

Compare and save

Millions of Victorians visit Victorian Energy Compare every year to compare and save money on their energy bills.

Victorian Energy Compare has all generally available energy offers in Victoria – for both residential and small business energy consumers.

17.5% discount

Concession card holders may be entitled to a 17.5% discount on their electricity bill, and the same discount on their winter gas bill.

The Victorian Government's Energy website provides information on the work that we are doing with industry and the community, to develop Victoria's secure and sustainable energy future.
